         Gm   C7   F   D7
V1   *Don't blame it on the rain*
         Gm   C7   F
       It didn't make those teardrops fall
         Gm   C7   F   D7
       Never meant you no harm at all
         Gm   C7
       Don't you blame it on the rain

         Gm   C7   F   D7
V2   *Don't blame it on the sun*
           Gm   C7   F
       It rose each day to greet and warm you
         Gm   C7   F   D7
       Just because it does this for you
         Gm   C7
       Don't blame it on the sun

       (solo verse)

          Am   Em   Am Em Am
Br   The rain will pass, the sun will come, shining through
          C   G
       The moon will glow, the wind will blow
      C Bb   Am D7   Gm   C   C7
       It all back to you,   all on back to you

V3   *Don't blame it on the moon*
       Stolen kisses with stars above
       Never wished for anything but love, love, love
       Don't blame it on the moon

V4   *Don't blame it on the wind*
       It didn't cause your dreams to scatter
       Just sorted out what really matters
       Don't blame it on the wind

       (solo verse)

Br   *The rain will pass, the sun will come, shining through*
       The moon will glow, the wind will blow
